

From the Office of the President

August 2017

Since Pop's Pizza burned down and won't be rebuilt for several months the committee decided to move the meeting around for the next few months until we decide on a new place or go back to Pop's if/when it opens again.

Our August 8th meeting was held at Crazy Pour, 105 W. North Ave., Villa Park, IL 60181. Diane and Dan Wagner found this place and it is great. We met in the party room at the regular meeting time. It is a fun place. They even roped off some spaces for Corvette only parking.

So our September 12th meeting will be held at Crazy Pour again. We will be in a private room on the Trackside Entrance. As a matter of fact we voted, and Crazy Pour is where we will meeting from now on.

See you there!

Happy Motoring and remember to Save the Wave.
